

QUOTES FROM BROTHER BRANHAM - CHAPTER 1
The Mystery of the Godhead

It's my opinion that few Message preachers would reject my Bible teachings on the Godhead. Please contact me if that's not the case.

But it's critical to see Brother Branham didn't make a big issue out of the idea of three persons in the Godhead until December 1960. Here's a quote from November 1960 in which Brother Branham tells Shreveport believers the third person is working in their flesh:

*Jesus Christ, the resurrected One, **the One you call the third Person, is the same Person, that's in our midst now working in our flesh**, as He--as God worked in the flesh of His own Son, Jesus Christ, is working in the flesh of adopted children through Jesus Christ as He promised.*

Then, the next month, Brother Branham told his home church that three persons was wrong:

First Timothy 3:16, "Without contradiction, great is the mystery of godliness: for God was manifested in flesh, seen of Angels, believed on in the world, received up into Glory." God! Not a third person or a prophet, but God Himself, made manifest in human form. Now, this is the revelation, remember.

It's interesting to see how Brother Branham progressively grew in revelation, as he expressed his love for the third person of the trinity and his indwelling presence in 1952:

***We love Him, that great, third Person of the trinity Who burns through our hearts.** And we love Him. O Holy Spirit, I thank You for Your Divine leading, and how You led me here to Hammond.*

These quotes are important to remember when reading Brother Branham's Godhead quotes because he clearly grew leaps and bounds on the Godhead revelation after preaching the Seven Church Ages. This monumental study led him to pronounce God's authoritative Word in relation to the Godhead in January 1961:

*Now, my precious brother, I know this is a tape also. Now, don't get excited. Let me say this with godly love, the hour has approached where I can't hold still on these things no more, too close to the Coming. See? **"Trinitarianism is of the Devil!" I say that THUS SAITH THE LORD!** Look where it come from. It come from the Nicene Council when the Catholic church become in rulership. The word "trinity" is not even mentioned in the entire Book of the Bible. And as far as three Gods, that's from hell. There's one God. That's exactly right.*
